

Technical Data Sheet

Overview:

Calcium & Phosphorus are vital element for livestock and is required for stronger bones & lactation. It is required for reproductive performance, immunity as well as during stress conditions.

How NutriCal works?

- **NutriCal** has balance amount of Calcium & Phosphorus in 2:1 ratio which is vital for animals. These easily available Ca & P from organic source gets absorbed in the intestine in-to blood stream & makes the vital element available in the body.
- **Vitamin D3 & Phosphorus** in balanced amount is required for absorption of Calcium. Vitamin B12 is a supportive supplement for all body functions of birds helps absorption of calcium to its full potential.
- Galactogogues help to increase milk production
- Other minerals & probiotics acts as catalyts in improving performance.

Benefit of usages of NutriCal:

- + To enhance milk production in healthy animals, udder growth & maintenance
- + Helps in bone formation in young animals
- + To maintain healthy lactation cycle
- + Required for strong bones & skin
- + Prevents Milk Fever & associated complications
- + Useful in acidosis & off-fed conditions

NutriCal

Super Power Nutritional Tonic

Product Description:

NutriCal is an advanced & well-balanced formulation for Calcium & Phosphorus supplementation for Livestock. It has key ingredients that improves uptake of Calcium in the body & has synergistic effect along with vitamins & minerals.

Composition: Each 100 ml contains

Organic Calcium	: 3700 mg
Organic Phosphorus	: 1850 mg
Vitamin D3	: 20000 IU
Vitamin B12	: 200 mcg
Biotin	: 2000 mcg
Magnesium	: 150 mg
Zinc	: 50 mg
Copper	: 40 mg
Carbohydrate	: 20000 mg
Galactogogue	: 2000 mg

Physical Description:

Appearance	: Liquid
Colour	: Pinkish
Fragrance	: Aromatic
pH (5% Aq solution)	: 6.5-7.5

Application Rate:

Cattle	: 50-100 ml/animal/day for 5-7 days
Sheep & Goats	: 20-25 ml/animal/day for 5-7 days

Or as suggested by Veterinarians/Consultants

Shelf Life:

36 months from month of manufacturing in original unopened packaging, stored in a cool dry place out of direct sunlight

Presentation:

1 Litre Bottle & 5 Litre Jars
